

Dear business partners,

We are continuing to invest in our infrastructure and would therefore like to inform you today of the following restrictions. Our online store will be **unavailable** from **December 13!** The reason for this is an upgrade of our ERP system. This also requires an upgrade of the online store to a new version. As a customer, you will benefit from even better performance in the future.

We therefore ask for your understanding and hope to keep the outage as short as possible. However, we must assume that the usual ordering process will not be possible again until January 2024. The planned annual inventory with the new ERP system also presents us with further challenges.

For these reasons, we ask you to use our telephone order hotline during this time. This is available from Mon - Fri from 8:00 - 17:00.

**Tel: +49 (0) 3744 / 36 56 5-32**

**Fax: +49 (0) 3744 / 36 56 5-20**

Or order conveniently by e-mail: [export@best-body.com](mailto:export@best-body.com)

Take advantage of the time until **December 13** and order in advance for the time of the shutdown. Please also bear in mind the time before Christmas and the associated delays in delivery by the shipping service providers. It is therefore best to make sure you have enough stock for this period before **December 13**.

You will be informed as soon as we are back online with the new systems.

With sporty greetings

Your Fitnessshotline GmbH team
